**Subject:** Docket No. 2022-74-E - Dominion Request for Decrease in Pension Rider

To Andrew Bateman:

Andrew, as you will recall, ORS asked for a delay in Commission consideration of the Dominion request for a decrease in pension expense found in this Docket while ORS performed its analysis. Could you please provide me with a status report on that analysis, specifically with regard to timing?

Thanks in advance for your consideration in this matter.

Regards,

David Butler
